Vacancy Information Pack

Chemistry Teacher

Lead, Inspire, Make a Difference

Introduction

Dear Applicant

It is my great pleasure to welcome you to Kendrick School. Thank you for your interest in our Chemistry Teacher vacancy.

Kendrick School is an 11-18 selective girls' school with academy status. It has a local and national reputation as an outstanding school and has an impressive record of achievement as a centre of excellence for girls' education.

In its last five OFSTED inspections, Kendrick was judged an "*outstanding*" school. In our most recent inspection in November 2022, OFSTED stated "Pupils and sixth formers are justly proud of their school community. They delight in their learning and truly excel here. One parent spoke for many when reflecting, 'The school does a great job of creating well-rounded, kind, human beings who will hopefully go on to make the world a better place. The academic results are important of course, but far from the only focus.' Inspectors totally agree."

Kendrick is a forward-looking school that grasps the opportunities that present themselves. A love of learning is at the heart of Kendrick with a strong emphasis on high quality teaching. The curriculum is organised to meet the needs of all students and is engaging, rich and ambitious. All staff are hardworking and dedicated; students are bright, enthusiastic and curious, they love being at their school.

At Kendrick, students enjoy a rich and varied extracurricular education. The House System provides opportunities for healthy competition with numerous annual house events, which are key activities in the school year. Kendrick Student Leaders work energetically and collaboratively with staff to support this vital community element of the school. In addition, we have a School Council, which discusses and drives change for students.

Safeguarding and students' mental health and wellbeing are prioritised above all else. As stated by [Ofsted in November 2022](#), 'The arrangements for Safeguarding are effective at Kendrick' and 'there is a culture of vigilance' where 'staff care deeply about pupils' wellbeing'.

As part of Kendrick's Widening Horizons strategic initiative, we actively pursue partnerships with schools and businesses in our local area and beyond. These associations benefit the students of Kendrick, as well as those in neighbouring schools. We share our good practice and offer opportunities to work with primary and secondary schools in the Reading area.

Kendrick has been expanding over the last three years, a process that started in September 2020 when an additional 32 students joined the school in Year 7. This year we welcomed the last of the expanded cohorts into Year 7, which completes the expansion, making Kendrick a four-form entry school for Years 7-11. In the [admission process](#), priority is given to pupil premium students and students living in the Reading area, which is called Priority Area 1. Our [Widening Horizons](#) initiative commits us to achieving greater participation and access for students from local primary schools. In July 2024, we were awarded the Sutton Trust Fair School Admissions Award at Gold level. This is a great accolade for the school which we are very proud of.

As the Headteacher of Kendrick, it is my vision to *lead, inspire and make a difference to the lives of girls and young women*. I believe passionately in girls' education and know that Kendrick School affords its students the very best education there is.

Ms Christine Kattirtzi
Headteacher

THE ROLE

CHEMISTRY TEACHER

Required for September 2025

Experienced and Early Careers Teachers welcome to apply.

This is an excellent opportunity for a well-qualified, enthusiastic Chemistry Teacher to join a successful 11-18 girls' grammar school in Reading. Graded 'Outstanding' in all its OFSTED inspections, Kendrick School is a centre of academic excellence with a track record of high performance and achievement.

Applicants need to be able to teach Chemistry throughout the school including A Level, and Science at KS3. The ability to teach a second Science subject at KS4 would be valuable, but not essential. Kendrick School is a centre of academic excellence with a track record of high performance and achievement. This position would suit a recently qualified teacher or more experienced teacher who is able to impart passion and enthusiasm for the subject to highly motivated, creative and engaging students. Kendrick School has a very good track record of developing ECTs and the successful candidate would be joining a supportive and experienced department. Sponsorship is available but applicants would be expected to have knowledge of GCSE and A Level education system.

The recent Ofsted report, November 2022 stated:

“Pupils’ behaviour is exemplary both in lessons and around the school. They respect and exemplify the values within the school pledge. Pupils love being here. Attendance is high, pupils are punctual, and lessons are free from any low-level disruption”.

Kendrick School is a welcoming, inclusive and happy community. Benefits include a free Employee Assistance Programme, car parking, a contributory pension scheme, training and development and use of the swimming pool and sporting facilities.

THE SCIENCE DEPARTMENT

The Science Department is situated in nine laboratories in the main building of the school. There are two specialist laboratories for each of Biology, Chemistry and Physics and three general-purpose Science laboratories. The department consists of a friendly, mutually supportive, well-qualified team of staff, who are flexible and open to new ideas. The laboratories are well resourced and serviced by laboratory technicians, each working from their own preparatory room.

Two of these laboratories were completed in October 2009 as part of Project Faraday and have a linked Chemistry prep room and resource/discussion/ICT room. Two further labs were refurbished to a high standard in 2016.

The department has a Head of Science, and separate Heads of Biology, Chemistry and Physics.

Kendrick School operates a two-week, 50 x 1 hour period timetable. In Years 7 and 8 the students follow a balanced Science course. Wherever possible one teacher will be attached to one group and therefore teach all Science lessons. Year 7 students have seven Science lessons per fortnight and Year 8 students have six Science lessons per fortnight. From Year 9 upwards, the lessons are identified as Biology, Chemistry and Physics and are taught by specialists wherever possible. All students currently study Biology, Chemistry and Physics AQA Separate Science GCSEs from the beginning of Year 9. A very small number of students may opt to be entered for Combined Sciences (Trilogy) in Year 11.

In recent years we have been highly successful at GCSE with 100% or nearly 100% pass rate at grades 9-5 in Science.

At Key Stage 5 we use the Edexcel B specification for Biology, the AQA specification for Chemistry and the Edexcel specification for Physics. There is a high uptake of Science A Levels and there are normally four groups of students in

both year groups (12 and 13) for Biology and Chemistry, and two or three groups of students in year 12 and year 13 for Physics. In recent years we have been highly successful at A Level with 100% or nearly 100% pass rate at grades A*-E in all Science A Levels. Students have also achieved well in extension activities such as the Olympiad.

All classes at KS3 and KS4 consist of up to 26 students, based on tutor groups. A Level classes normally consist of up to 20 students. All groups are mixed ability.

The Rehabilitation of Offenders Act 1974 (Exception Amendment) Order 1986 sets out details of all jobs to which this applies and the job you have applied for is included in the list.

The amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are “protected” and are not subject to disclosure to employers and cannot be taken into account. Guidance and criteria on the filtering of these cautions and convictions can be found in the accompanying Guidance Notes.

Please give details of any relevant criminal convictions that you may have. The disclosure of a criminal record may not necessarily prevent you from being appointed. The nature of the offence, how long ago it took place, your age at the time and any other relevant factors may be considered when a decision is made. Please note that some convictions are never considered “spent” under the terms of the Act.

Obtaining police checks for period lived outside the UK

If you have **lived outside the United Kingdom (UK) for a period of more than 12 months or more in the past 10 years, while aged 18 or over** you will be required to provide a satisfactory police check from that country(s) to cover that period.

If you are ineligible for a police check in the country you lived in outside the United Kingdom (for example because you were under the age required for police checks in that country, or because you are not a national of that country), or if you are unable to obtain a police check from an overseas country for other reasons, we may accept references from previous places of study or employment in that country. If this applies to you please contact us for further guidance.

Further information regarding obtaining a police check from other countries is available via the [Gov.uk website](https://www.gov.uk) for guidance on criminal record checks for overseas applicants.

Please bear in mind that some overseas countries will charge for a police check. Information for the different countries and fees involved can be found at the above link.

Filtering of Cautions and Convictions

This section provides guidance on the convictions which do not need to be declared on your application form. Please read carefully before answering this question. Further information is available from:
www.gov.uk/government/organisations/disclosure-and-barring-service

The filtering rules (which remove certain old and minor convictions and cautions, reprimands and warnings from a Data and Barring Service (DBS) Certificate were developed by the Home Office and the Ministry of Justice and introduced with new legislation:

The legislation is:

- Police Act 1997 (Criminal Record Certificates: Relevant Matters) (Amendment) (England and Wales) Order 2013;
- Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2013.

The Filtering Rules

The rules regarding the automatic disclosure of cautions and convictions on a DBS certificate are set out in legislation.

Standard and Enhanced DBS certificates must always include the following records no matter when they were received:

- All convictions for specified offences
- Adult cautions for specified offences
- All convictions that resulted in a custodial sentence

Other records must be included depending on when the caution or conviction was received:

- Any adult caution for a non-specified offence received within the last 6 years
- Any adult conviction for a non-specified offence received within the last 11 years
- Any youth conviction for a non-specified offence received within the last 5 and a half years

An 'adult' is any individual aged 18 or above at the time of the caution or conviction. A 'youth' is any individual aged under 18 at the time of the caution or conviction.

A 'specified offence' is one which is on the [list of specified offences](#) agreed by Parliament which will always be disclosed on a Standard or Enhanced DBS certificate where it resulted in a conviction or an adult caution. Youth cautions for specified offences will not be automatically disclosed.

Any cautions (including reprimands and warnings) and convictions not covered by the rules above are 'protected' and will not appear on a DBS certificate automatically.

Cautions, reprimands and warnings received when an individual was under 18 will not appear on a Standard or Enhanced certificate automatically.

Please note that Enhanced certificates may include information relating to a protected caution or conviction if the police consider that it is relevant to the workforce that the individual intends to work in. Decisions to include information in this way are subject to [statutory guidance](#).
